OPINION

The Debate: THE LaROUCHIES

Today's debate includes our opinion that the far-out "solutions" of LaRouche candidates could create chaos, an opposing view from Illinois, other views from New York, North Carolina, and the District of Columbia, and voices from across the USA.

Far-out 'solutions' could bring chaos

Suppose you flipped on the television set or picked up a newspaper and read or were told:

■ The "Zionists" are conspiring to take over the world with the KGB and British intelligence. There are other conspiracies involving Henry Kissinger, Walter Mondale, the Trilateral Commission, the Rockefellers, and the CIA.
